OFFICE OF THE ECONOMY OFFICER IN MYSORE, BANGALORE.

Memorandum dated 19th May 1948.

No. E. O. 211—47-48. The question of effecting economy in the State expenditure and improving the revenue position has been engaging the attention of Government for some time past. Both in the Representative Assembly and Legislative Council also Resolutions to this effect had been brought and assurances were given by Government that the principles underlying the Resolutions were acceptable to Government. The Government have accordingly since appointed an Economy Officer.—

(i) to consider all questions of economy and retrenchment in the several departments;

and (ii) to suggest ways and means of improving the revenue position either by fresh taxation or increasing the existing rates of taxes or otherwise.

The Economy Officer would therefore be glad to receive suggestions from the public regarding measures that could be taken to secure economy in the services without impairing efficiency and also regarding sources of additional taxation that could usefully be tapped both in order to secure balanced budgets and to find funds for financing development schemes.

To assist in framing replies a questionnaire is annexed. The questionnaire is by no means exhaustive nor is it ... should closely follow the question-
